Mr. James E. Leuenberger, Esq.  
Attorney at Law

Lake Oswego OR 97035-1684

Dear Mr. Leuenberger:

The Second Amendment Foundation is a tax-exempt educational and legal organization that has a long and proud history of involvement in legal cases in which firearm civil rights is at the core of the case.

We have recently taken notice of the case you are handling in Oregon, involving "Jane Doe," the Medford high school teacher whose rights, not only to bear arms under Oregon's constitution and state statute, but also her self-defense rights, are being impaired by a school district policy that appears to run counter to the state's preemption law.

I have discussed this case with Dave Workman, senior editor of Gun Week, a publication owned by the Foundation. I believe this is a case that the Foundation should support, and I am enclosing a check for \$500.00 to help defray "Jane Doe's" legal expenses. I've been assured by Mr. Workman that Gun Week will continue to follow this case and report on its progress.

Sincerely,

Alan M. Gottlieb, Founder
